Our Customers

▲ Chairman Message

We take pride in our diverse staff disciplines, utilizing the right mix of engineering, construction and construction management skills when required, as well as providing very specific skills to adapt to a wide variety of roles on any project

Hossam El-Din Ahmady

Chairman

Since its inception in 2005, our group has always kept all contributed greatly to our success

▲ Policy

a. Vision

Reminds each of us of what we should be striving for each day and where we ultimately want to be as a company.

b. Mission

To safely deliver any project, any time, in any environment for the benefit of our customers.

c. Objectives

- · Maximize the customer value.
- Customer satisfaction is a primary concern in all our services.
- · All of our products must be a land mark.

d. Philosophy

i.values

- Uncompromising commitment to Quality, Health, Safety and Environment
- An open relationship with our employees based on mutual trust, respect and success
- Transparency, Accountability and Discipline in our business
- · Best in class Risk Awareness
- · Integrity in all we do.

ii. Healthy & Safety

• Our commitment: Health and Safety is the number one priority in our business. We continue to focus on promoting a positive safety culture, aiming to ensure that employees, customers, suppliers and the public are safe and environmentally aware.

iii. Our team

- It is our vision to be recognized as the Qatar's premier contractor delivering projects and services to a local marketplace. With their substantial leadership experience, diverse backgrounds and shared commitment to excellence, the company's board of directors are tasked with making that vision a reality.
- and our commitment: Our goal is to attract, retain and develop the best people for our group by providing a challenging and stimulating working environment, where people enjoy their jobs, fulfill their potential and are recognized for their efforts.

iv.marketplace

• Our commitment: We recognize the importance of working in conjunction with our customers, partner and suppliers. Together we have the potential to make a great positive impact on our communities and the environment. We encourage open, honest and respectful communication and the development and maintenance of long-lasting and mutually beneficial relationship.
